

ALLERGEN DECLARATION

AGROCEPIA S.A. certifies through this document that there is no risk of any allergens in our products since they are not used in our facilities.

AGROCEPIA S.A. limits its production to dehydrating only fruits that are non-allergenic. Furthermore, there are no additional flavorings or spices used in or near our processing lines, warehouses or receiving areas.

AGROCEPIA S.A. also has a very complete cleaning schedule in order to clean out any sulfites that were used in the line before running unsulfured products and we have the willingness to cooperate with any organization in order to further ensure allergen free or allergen controlled products, in order to supply our clients and the general product with a guaranteed product
